CHAPTER 1 SHUSHU THE WOLFMAN

SCHOOL OF MONSTERS

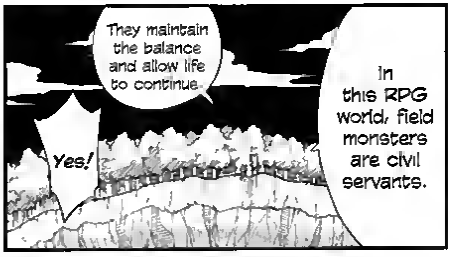
がくモン!

～オオカミ少女はくじけない～

Shushu, my son.
Your training with me has reached its end
I have passed on to you all the secrets of the wolfmen.
Thank you, Father!

Yes!

Tomorrow, you shall descend the mountain,
and enter the demon army's anti-hero training institution,
Monster Academy.

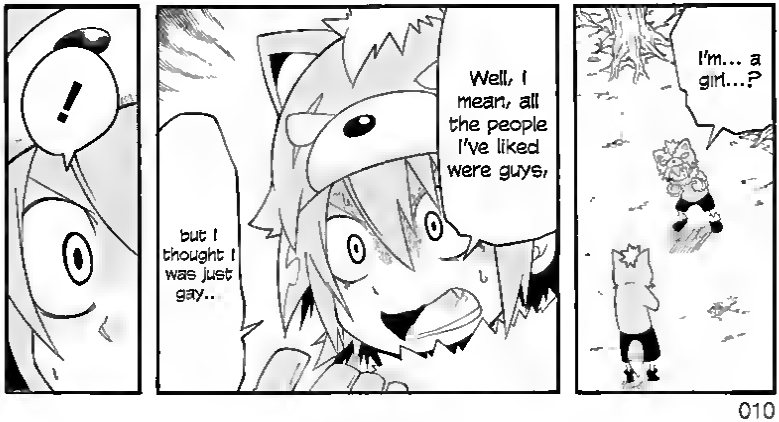


In this RPG world, field monsters are civil servants.
They maintain the balance and allow life to continue.
Yes!

I will enroll in the academy and become a splendid wolfman,
so I can get a job as a field monster!
オオカミ

Now, Shushu... There is one final thing I must tell you.

You're a girl.
オオカミ
EEEEEEHHHH!!?
ガーン



I'm... a girl...?
Well, I mean, all the people I've liked were guys,
but I thought I was just gay..
!

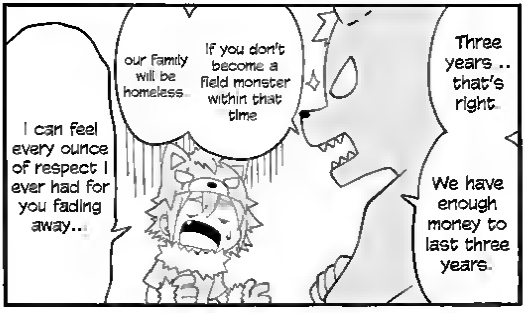
EEEEHHH!!?
NOPE.
But Father... Even if they're called wolfMEN...
Girls can become them too, right?
Those born to wolfmen can only become wolfmen.
Can I become something besides a wolfman!?
Then what am I going to school for?
It's wolfMAN. Only men can do it.
B-
But then why did you train me!?
Even if I go to the academy, I won't be able to become a wolfman!
Then what am I supposed to do!?
If I were a man, I'd be working as a monster too.
Come to think of it, Mom always says...
She works part-time at Lawson now...
I raised you as a boy!
And that is exactly why

However, if you cannot become a monster, you won't be able to become a field monster!
A girl cannot become a wolfman!
Those born to wolfmen cannot become any other type of monster!
!?
ガオーン
Because I don't want to work anymore!
As a boy, you will be able to enroll in the academy!
That is why I raised you as a boy!
Why would you go that far
Wh-
so that I could become a field monster...

We live on a mountain.
so we've really had to cut down on our living expenses.
I want you to support me!
I want you to become a field monster so I can live off of your salary!
A FREE-LOADER.
YOU'RE JUST A FREE-LOADER.
No way!
I'm not going to the academy!
I'm not gonna become a wolfman!
What kind of a reason is that!?
A field monster earns enough to support three people!
That's why
you raised me as a
You have no option other than to become a wolfman.
YOU HAVE TO.

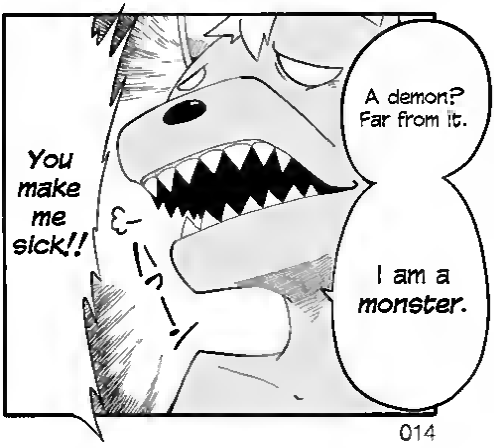
You're a horrible father!!
Why, you ask? I've already quit my job!!

Shushu~
Do you understand? Your beloved mother will suffer.
You're a demon!!



I can feel every ounce of respect I ever had for you fading away..
our family will be homeless
If you don't become a field monster within that time
Three years .. that's right.
We have enough money to last three years.

You won't be able to enroll in the academy unless you hide the fact that you're a girl
Why you monster of a parent



You make me sick!!
A demon? Far from it.
I am a monster.

ガーン
NO-OO!
My First Study Guide to
The Secrets of Boys and Girls' Bodies
This book will teach you everything you need to know
I didn't have any money, so I made it myself
KNOWING THAT YOU MADE IT MAKES ME WANT TO READ IT EVEN LESS!!!

Oh, right.
I had to make you think you were a boy,
so I told you all sorts of lies about boys' and girls' bodies
ゴソゴソ

And thus, Shushu
マ マ
set forth for Monster Academy
to become a splendid wolfman.
